"Our Little Village"
by Jenny Hull

**See us learn, watch us grow,
In this place we've come to know.
We sing and play and laugh each day,
in our Little Village.**

**We are one big family.
This place belongs to you and me.
We're a great community,
In our Little Village.**

**Every day, as we play,
We show God's love in every way,
See us share and learn to care
In our Little Village.**

The mission of the Village Church Child and Family Development Center is to offer quality reliable care that enhances the physical, social, emotional and spiritual development of each child of God. We strive to provide a loving, nurturing environment that ensures the health and safety of each child.

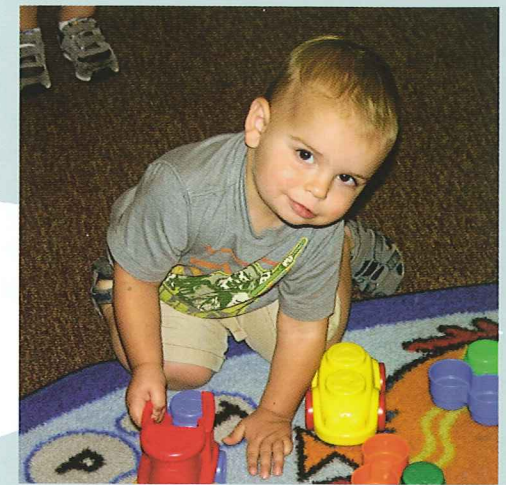

The center actively promotes the positive aspects of diversity and encourages acceptance and appreciation of individual differences.

At the Village Church Child and Family Development Center, we understand how difficult it can be for parents to make the decision to leave their children all day while they work.

Parents tell us they trust Village Church and "Our Little Village" with the care of their children for these important reasons:

- The Center is a mission of Village Presbyterian Church
- The Center has the reputation of 16 years of quality care
- Care for infants up to age five and summer care for school aged children
- Loving and well-trained staff
 - Centrally located
 - Year-round program
- Open from 7 am-6 pm each weekday
- Full-time and part-time full-day care options available

- The High/Scope Preschool curriculum is developmentally appropriate for all ages
- Breakfast, lunch & snack provided
- Music & movement classes are offered each week for ages 3 & up
- Large rooms with natural light
- Large indoor and outdoor play spaces
